**Welcome to the 2<sup>nd</sup> Transnational Project Meeting!**  
**Welcome to Kolozsvár!**

*Dear Guests!*

Our passion for reading has brought us together again showing how important the spiritual growth is. This is our second opportunity to exchange experiences, to learn from each other and to appreciate our common cultural inheritance.

We are delighted to welcome our Finnish and Hungarian partners hoping that we are going to spend an unforgettable and productive time together. We should take advantage of looking through the eyes of each other, finding out and experiencing how colorful our world is.

Feel free to note your personal thoughts, remarks and opinion in order not to forget the places you visit and the people you meet.

My expectations of the 2<sup>nd</sup> Transnational Project Meeting:

I suppose that the most important  
thing is to spend a memorable week with  
our friends and enjoy the company of  
ourselves and to get new ideas what  
to read.

My first day in Kolozsvár

2<sup>nd</sup> October 2015

**What is your first impression of Kolozsvár and the János Zsigmond Unitarian High School?**

First and foremost I saw the monumental and breathtaking buildings. The opinion of my very own about the school is that it's rather serious and mysterious. It would be a <sup>great</sup> big joy to be part of this school.

## 2<sup>nd</sup> Transnational Project Meeting

My first project day in Torockó

3<sup>rd</sup> October 2015

Write about the most interesting characteristics of the village:

The village is characterist in the  
white walls and the green window  
frames and the crystal clear air.

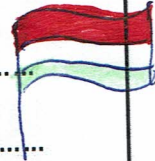

Name a Hungarian writer who is connected to Torockó:

Istváni Móra: Guest : 1876-1906.  
+ (Égy az Jsten)

What is the altitude of Székelykő mountain?

Its peak is 1129 metres high  
and it was quite adventurous.

The path was mostly rocky and  
a small ~~stream~~<sup>brook</sup> was meandering  
there.

## Hooked on Books

My second project day in Torockó  
4<sup>th</sup> October 2015

Write 3 expressions in a foreign language that you have recently learned from your new friends:

care dar Vere: uiszeat! (romain)

szerelek: (-fun) fuvu mina rakastan

Zakuska: (romain) zoldveglen

bóza: (szekely) katicabogár

Which was the funniest moment of the day and why?

to for me it was the way back to Kolozsvár, because we transferred some hungarian idioms and in this way they got a total different meaning and

How many hours did you sleep last night?

## 2<sup>nd</sup> Transnational Project Meeting

My third project day in Kolozsvár  
5<sup>th</sup> October 2015  
School building

The whole building has a special feeling. It's like a university and the best part of it for me was the biology lab.

Enumerate three foreign authors of whom you have heard today:

Kohyódi Sándor, Uino Kallas, Ella Maura Murice  
Dzida Jenő, Mika Waltari, Tove Jansson,  
Kaarlo Paatalo, Kacsi Utis, Uini Yamara \*

Kallos Zoltán Museum and Folk Art Center

For me it was fascinating to get to know my roots music and

traditional clothes

\* Maarit Herronen, Sirpa Kahkonen, Sofi Oksanen

Your best impression of the day:

Firstly it was the project time. I was shaking and enjoying the whole thing at the same time, but the very best thing about this was the singing.

## 2<sup>nd</sup> Transnational Project Meeting

My fifth project day in Kolozsvár

7<sup>th</sup> October 2015

Octavian Goga - Ady Endre Museum

Just like one of the teachers said:  
we are part of a big secret. We  
keep going on with the reading  
of the books and with strengthening  
the connection ~~between~~ between the 3  
nations to have international  
friendships.
